Comments from GB:

- Reminders that secretaries are responsible for emailing every meeting's minutes either by phone or email to Susan at the ILR office, with the subject **(To be posted)** so she can put them in your committee's minutes on the website.
 - Madeline to reshare the 2025 minutes to ensure that Susan has received them to put them on the ILR registry.
- Also, the committees are encouraged to read the Guidelines for committee members. The 2026 guidelines are now up on the website.
- If the committee has any changes for 2027, now is the time to start working on them. All changes are to be done by October 1, 2026.

New Business

Clarification on New Guidelines:

- Discussion on why the masters is not a “mandatory” class and what happens if a show does not run the masters performance.
 - GB did not want to require shows to run masters, but still wanted to have it as an ILR-SD option.
